Circular Letter

May 18, 2012

TO: **ALL PUBLIC AGENCY EMPLOYERS**

SUBJECT: **ONLINE ACTUARIAL REPORTS**

The purpose of this Circular Letter is to inform you of recent changes regarding the availability of your annual actuarial valuation report.

First, in the interest of transparency, CalPERS has now begun publishing the annual actuarial valuation report on the CalPERS website. The June 30, 2010 [actuarial valuation reports](#) for all public agency employers can now be found online by following the instructions below:

- Access CalPERS On-Line at www.calpers.ca.gov
- Select "Forms and Publications Center"
- Under CalPERS Reports, Select "View Reports"
- Select "Actuarial Reports"

Another change taking place regarding the availability of the annual actuarial valuation report is related to my|CalPERS. In prior years, public agency employers received their actuarial valuation reports by mail in October. With the implementation of my|CalPERS, employers will no longer receive their reports by mail. Future actuarial valuation reports will be delivered to employers via my|CalPERS. The reports should be available to the employer in late October or early November. In early December, CalPERS will post the reports online for public viewing. This will enable the employer to have approximately one month to review the reports before they are viewable by the public.

If you have any questions, please contact the CalPERS Customer Contact Center at **888 CalPERS** (or **888-225-7377**).
