Unit 1: Out-of-Class Reporting

An out-of-class appointment is an appointment to an upgraded position or higher classification by an employer or governing board or body that is vacant position for a limited duration.

A vacant position is a position that is **vacant during recruitment** for a permanent appointment. A vacant position does not refer to a position that is temporarily available due to another employee's leave of absence.

Employer Notifications

CalPERS will mail up to two notification letters to all contracting public agency and school employers to their preferred address in myCalPERS.

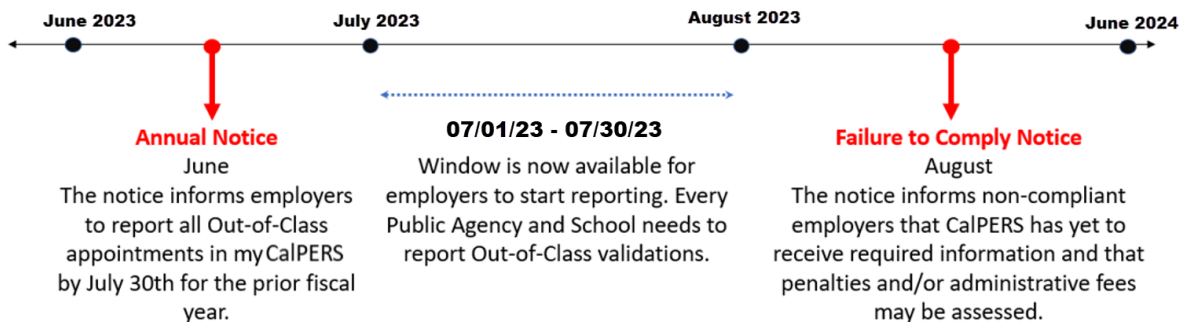

Annual Notification – (June)

The notice informs you to report all out-of-class appointments in myCalPERS by July 30 for the prior fiscal year.

Failure to Comply Notification – (August)

This letter informs all non-compliant employers that report payroll directly to CalPERS that we have not received the required information. Penalties and/or administrative fees may be assessed.

Out of Class Reporting Timeline

Penalties

Penalties incurred with reporting out-of-class appointments that exceed 960 hours are anticipated to be generated the following June after the out-of-class review period. For example, reporting out-of-class appointments for fiscal year 2022/2023 completed by July 30, 2023 will be invoiced June 2024.

Employers who violate this provision must make payments to CalPERS equal to three times the amount of the difference between member and employer contributions for the out-of-class appointment and the member and employer contributions reported to the system for the member's permanent position. The penalty shall be applied for the entire period(s) the member served in an out-of-class appointment. In addition, the employer will be responsible for a \$200 fee to cover administrative expenses.

Penalties paid are not normal contributions or additional contributions that are credited to an employee's individual PERS account. The employee shall bear no liability, obligation, or expense because of the unlawful actions of the employer.
