

## Brian Ternan, President and Chief Executive Officer Health Net

Brian Ternan is President and Chief Executive Officer for Health Net, a wholly owned subsidiary of Centene Corporation. In this role, he oversees Health Net's commercial and government businesses in California. Ternan is an industry leader with more than 25 years of health plan experience in commercial, labor and group Medicare business.

Ternan joined Health Net in September 2019, after four years as the commercial plan president for Anthem Blue Cross of CA. Prior to that, he served as president of Aetna's Western region and had P&L responsibility for group, individual, group Medicare and public and labor lines of business. During his nine-year tenure at Aetna, Ternan also served as president of Aetna's Southern California market; president of the West region national accounts; and vice president of Southern California national accounts.

Prior to Aetna, Ternan held various positions at Mercer HR Consulting throughout the West. At Mercer, he advised large employers about the various aspects of their human resource strategies.

Ternan also serves on the board for California Association of Health Plans, Greater Sacramento Economic Council, National Hispanic Medical Association, CalChamber and Song for Charlie. He's the executive sponsor for I.N.S.P.I.R.E., Centene's enterprise-wide women's network.

Ternan earned a Bachelor of Arts from California Polytechnic State University, San Luis Obispo, California.

## Dr. Todd May, Vice President Medical Director Health Net

Todd May, MD, is a practicing family physician and serves as Vice President Medical Director at Health Net. He is responsible for supporting all medical aspects of the Commercial line of business, including promoting quality improvement efforts, supporting Account Management teams and employer clients and purchasers, and supporting the Sales team in growth endeavors. He also is deeply engaged in population health management, health equity, digital vendor platform strategy, telehealth services, and implementation of innovative member engagement programs.

Dr. May represents Health Net in high-profile statewide initiatives. He is the clinical leader for an unprecedented multiple health plan collaboration working with the poorest performing hospitals to improve their performance. He is providing key leadership in an innovative multi-payer initiative to promote Advanced Primary Care in California sponsored by Integrated Healthcare Association and California Quality Collaborative/Purchaser Business Group on Health.

Immediately prior to joining Health Net in 2019, Dr. May was a Professor of Family & Community Medicine at UCSF for 22 years. During this tenure, he served a term as Chief of the Medical Staff and then as Chief Medical Officer for seven years at San Francisco General Hospital. He also is an alumnus of the prestigious California Health Care Foundation Health Care Leadership Fellowship. Dr. May has practiced for over 30 years and continues to treat patients at a local Federal Qualified Health Center in Half Moon Bay.
