Procedural Summary

Respondent worked as an Exhibit Designer-Installer for the California Science Center, California African American Museum (Respondent Center). On August 22, 2021, Respondent submitted an application for service retirement, which was approved with an effective date of August 13, 2021.

On October 11, 2021, Respondent submitted an application for disability retirement based on otolaryngological conditions (dysphonia, bilateral hearing loss) and orthopedic (arms) conditions. Respondent later withdrew his claim for orthopedic disability and only sought disability retirement for his otolaryngological (dysphonia, bilateral hearing loss) condition.

On July 14, 2022, CalPERS denied Respondent's disability retirement application. Respondent appealed this determination, and the matter was heard by the Office of Administrative Hearings on September 10, 2024. Respondent Center did not appear at the hearing. A Proposed Decision was issued on October 14, 2024, affirming CalPERS' determination and denying the appeal.
