SCHOOL 1959 SURVIVOR EMPLOYER CONTRIBUTION FOR FISCAL SUBJECT:

YEAR 2006-2007

On May 16, 2006, the CalPERS Board of Administration approved the School 5th Level Pool Employer rates for the 1959 Survivor Pre-retirement death benefit. This benefit pays a monthly amount to the survivor(s) of a member who dies while actively working for a School agency that does not participate in the Federal Social Security program. The employer contribution rate, for fiscal year 2006-2007, is \$0.00 per member, per month.

The <u>employee</u> contribution rate remains at \$2.00 per member per month. Be advised that section 21581 of the California Public Employees' Retirement Law states that when the total required premium goes above \$4.00 per member, per month, the Employer and Employee shall split the total cost evenly.

Currently the funded ratio of the School 5th Level Pool is 417.7% and the total required premium is not expected to exceed \$4.00 per member, per month for at least the next several years, based on current data and assumptions. The actual cost of the 1959 Survivor benefit to the Employer will vary from year to year due to investment returns and mortality gains and losses experienced by the pool.

If you have any questions, please call the Employer Contact Center at 888 CalPERS (or 888-225-7377).
