Procedural Summary

Respondent submitted an application for service pending industrial disability retirement based on orthopedic conditions. He was approved for service retirement and has been receiving service benefits since March 1, 2022. CalPERS determined that Respondent was ineligible for industrial disability retirement benefits because he had been dismissed from his employment. Pursuant to the legal precedents set forth in *Haywood* and its progeny, CalPERS canceled his industrial disability retirement application. Respondent appealed this determination and the matter was heard by the Office of Administrative Hearings on August 16, 2023. A Proposed Decision was issued on September 14, 2023, affirming CalPERS' determination and denying the appeal.
