Circular Letter

March 30, 2016

TO: CONTRACTING AGENCY HEALTH BENEFITS OFFICERS AND ASSISTANT HEALTH BENEFITS OFFICERS

SUBJECT: CONTRACTING AGENCY MINIMUM EMPLOYER CONTRIBUTION CALCULATION FOR 2017

Background

The purpose of this Circular Letter is to inform contracting Public Agencies and Schools of the new minimum employer health contribution for 2017.

The Minimum Employer Contribution amount is prescribed by Government Code Section 22892 of the Public Employees' Medical and Hospital Care Act (PEMHCA)¹.

The Minimum Employer Contribution was originally established as a specific dollar value with specified increases from calendar years 2004 through 2008. Starting in calendar year 2009, the calculated adjustments are based upon the medical care component of the Consumer Price Index-Urban (CPI-U).

California Government Code Section 22892 of the PEMHCA establishes the contracting agencies' minimum health premium contribution for their participating active membership. In addition, this section provides that "Commencing January 1, 2009, the employer contribution shall be adjusted annually by the board to reflect any change in the medical care component of the CPI-U and shall be rounded to the nearest dollar."

The table below displays annual increases of the Minimum Employer Contribution for active members.

Minimum Employer Contribution by Calendar Year	
Calendar Year	Employer Contribution
2013	\$115.00
2014	\$119.00
2015	\$122.00
2016	\$125.00
2017	\$128.00

¹ California Government Code § 20000, et seq.

Inflation Rate Changes

In January 2016, the U.S. Bureau of Labor Statistics determined the annual percentage change in the medical care component of the CPI-U for 2015 was 2.6 percent.

The table below provides an inflation comparison of medical care rates.

Medical Care Inflation		
Year	Index	Percent
2011	400.258	3.0
2012	414.924	3.7
2013	425.134	2.5
2014	435.292	2.4
2015	446.752	2.6

Calculation of the Minimum Employer Contribution

Using the 2.6 percent increase in the medical care component of the CPI-U, the minimum employer contribution for Calendar Year 2017 is \$128.00. See the calculation below.

$(\$125.00 \times 2.6\% = \$3.25 + \$125.00 = \$128.25, \text{ rounded to } \$128.00).$

Contribution Change Process

Contracting agencies that have designated the PEMHCA Minimum as their monthly employer health contribution will have their employer billing automatically updated to reflect the new amount effective January 1, 2017.

Contracting agencies do not need to take action unless they wish to make a change to their current contribution method. To do so, employers must submit a *change resolution*. Change resolutions are effective the first of the second month following receipt by CalPERS.
