CARPINTERIA SANITARY DISTRICT

RESULTS IN BRIEF

The primary objective of our review was to determine whether the Carpinteria Sanitary District (Agency) complied with applicable sections of the California Government Code, California Public Employees' Pension Reform Act of 2013 (PEPRA), California Code of Regulations (CCR) and its contract with the California Public Employees' Retirement System (CalPERS).

The Office of Audit Services (OAS) noted the following findings during the review. Details are noted in the Results section beginning on page two of this report.

- Pay schedule did not meet all of the requirements of the Government Code and CCR requirements.
- Member reciprocal self-certification was not maintained.

OAS recommends the Agency comply with applicable sections of the California Government Code, PEPRA, CCR and its contract with CalPERS. We also recommend the Agency work with the appropriate CalPERS divisions to resolve issues identified in this report.

SCOPE

The Agency contracted with CalPERS effective November 1, 1978, to provide retirement benefits for local miscellaneous employees. By way of the Agency's contract with CalPERS, the Agency agreed to be bound by the terms of the contract and by the Public Employees' Retirement Law (PERL). The Agency also agreed to make its employees members of CalPERS subject to all provisions of the PERL.

As part of the Board approved plan for fiscal year 2014-15, the OAS reviewed the Agency's payroll reporting and member enrollment processes related to the Agency's retirement contract with CalPERS. The review period was limited to the examination of sampled employees, records, and pay periods from July 1, 2011 through June 30, 2014. The review objectives and a summary of the procedures performed are listed in Appendix A.

CARPINTERIA SANITARY DISTRICT

OFFICE OF AUDIT SERVICES REVIEW RESULTS

1: The Agency's pay schedule did not meet all of the Government Code and CCR requirements.

Condition:

The Agency did not maintain a pay schedule that met all of the Government Code and CCR requirements. Specifically, the pay schedule did not list the position title and payrate for the General Manager position.

Only compensation earnable as defined under Government Code Section 20636 and corresponding regulations can be reported to CalPERS and considered in calculating retirement benefits. For purposes of determining the amount of compensation earnable, a member's payrate is limited to the amount identified on a publicly available pay schedule. Per CCR Section 570.5, a pay schedule, among other things, must:

- Be duly approved and adopted by the employer's governing body in accordance with requirements of applicable public meetings laws;
- Identify the position title for every employee position;
- Show the payrate as a single amount or multiple amounts within a range for each identified position;
- Indicate the time base such as hourly, daily, bi-weekly, monthly, bi-monthly, or annually;
- Be posted at the office of the employer or immediately accessible and available for public review from the employer during normal business hours or posted on the employer's internet website;
- Indicate an effective date and date of any revisions;
- Be retained by the employer and available for public inspection for not less than five years; and
- Not reference another document in lieu of disclosing the payrate.

Pay amounts reported for positions that do not comply with the payrate definition and pay schedule requirements cannot be used to calculate retirement benefits because the amounts do not meet the definition of payrate under Government Code Section 20636(b)(1). When an employer does not meet the requirements for a publicly available pay schedule, CalPERS, in its sole discretion, may determine an amount that will be considered to be payrate as detailed in CCR Section 570.5.

CARPINTERIA SANITARY DISTRICT

Recommendation:

The Agency should ensure its pay schedule meets all of the Government Code and CCR requirements.

The Agency should work with CalPERS Employer Account Management Division (EAMD) to identify and make adjustments, if necessary, to any impacted active and retired member accounts pursuant to Government Code Section 20160.

Criteria:

Government Codes: § 20160, § 20636

CCR: § 570.5

CARPINTERIA SANITARY DISTRICT

2: The Agency did not maintain the required member reciprocal self-certification.

Condition:

The Agency did not maintain the required member reciprocal self-certification for an employee hired after January 1, 2013. CCR Section 579.3 requires individuals to self-certify in writing as to whether he or she is also a member of another public retirement system and is eligible for reciprocity. Agencies are required to retain the retirement and benefit-related information provided by the newly-hired individual.

Recommendation:

The Agency should ensure employees hired on or after January 1, 2013 certify in writing whether they are members of another public retirement system and provide the additional required information if reciprocity exists. Further, the Agency should ensure it retains this information.

The Agency should work with EAMD to identify and make adjustments, if necessary, to any impacted active and retired member accounts pursuant to Government Code Section 20160.

Criteria:

Government Code: § 20120, § 20121, § 20122, § 20125, § 20128, § 20160, §
7522.02, § 7522.04
CCR: § 579.3

CONCLUSION

OAS limited this review to the areas specified in the scope section of this report and in the objectives outlined in Appendix A. OAS limited the test of transactions to employee samples selected from the Agency's payroll records. Sample testing procedures provide reasonable, but not absolute, assurance that these transactions complied with the California Government Code except as noted.

The findings and conclusions outlined in this report are based on information made available or otherwise obtained at the time this report was prepared. This report does not constitute a final determination in regard to the findings noted within the report. The appropriate CalPERS divisions will notify the Agency of the final determinations on the report findings and provide appeal rights, if applicable, at that time. All appeals must be made to the appropriate CalPERS division by filing a written appeal with CalPERS, in Sacramento, within 30 days of the date of the mailing of the determination letter, in accordance with Government Code Section 20134 and Sections 555-555.4, Title 2, of California Code of Regulations.

AGENCY'S WRITTEN RESPONSE

June 11, 2015

Ms. Young Hamilton, Acting Chief
Office of Audit Services
California Public Employees' Retirement Services

Sacramento, CA 94229-2701

Subject: Public Agency Review Response (CalPERS Job No. P14-028)

Dear Ms. Hamilton:

This letter acknowledges receipt of and provides a response to the Draft Public Agency Review conducted for the Carpinteria Sanitary District (CalPERS ID: 7959232114).

The Carpinteria Sanitary District (District) offers the following response to the audit findings:

Finding 1: *The Agency's pay schedule did not meet all of the Government Code and CCR Requirements.*

The District has updated its pay schedule, or salary matrix, to include the General Manager position. The pay schedule is available on the District's web site and is included in the District's annual budget document. The updated pay schedule conforms to the requirements of CCR Section 570.5 and other applicable statutes.

Finding 2: *The Agency did not maintain the required member reciprocal self-certification.*

The District established a practice to ensure that all employees hired after January 1, 2013 will certify in writing whether they are members of another public retirement system, including provision of required reciprocity information. Certification was obtained from the single District employee in this category who had not previously provided it. The District will retain the certifications and associated documents pursuant to CCR Section 579.3.

Ms. Young Hamilton, Acting Chief

The District trusts that actions taken in response to the Public Agency Review process will ensure continued compliance with our contract with the California Public Employees' Retirement System.
